AUTHOR'S NOTE

All of my time . . .
Where has it gone?
I once thought that I had a lot,
but I don't have enough now.

Is this any way to enjoy life?!

I have so many things to do,
but not enough time.
If I keep living like this,
I won't have any time left
when I really need it.

Somebody give me more time . . .

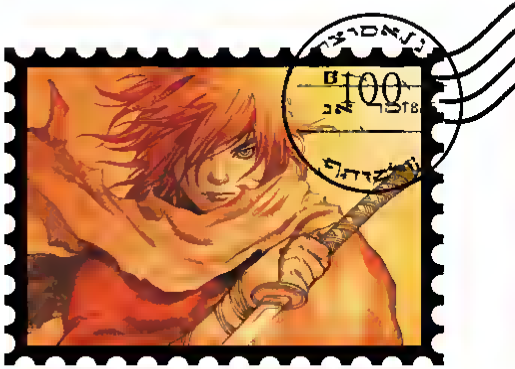
DARK HORSE MANHWA

Visit www.darkhorse.com for previews of upcoming BANYA volumes and other great Dark Horse Manhwa titles!



Banya, the unstoppable delivery man, finds himself in the middle of a chaotic battle at the heart of a secred temple. Leading three Knights of Hohwe into what may be a death trap, Banya is determined to deliver a mysterious message to the imprisoned monk Jiahn—even if he has to barrel through a gang of bloodthirsty Torren to do it! Meanwhile, Kong finds himself thrust into a situation so terrible, even Banya's skills may not be able to save him. When a gifted young girl is kidnapped, Kong risks everything (including his own satchel full of top secret deliveries) to rescue her.

Kim Young-Dh's latest action-packed romp is filled with tense battles, horrific villains and monsters, and perfectly timed comedic moments. This series is presented in its original Korean format and is translated by the mother/son team of Taesoon Kang and Derek Kirk Kim!

This collection is translated into English but oriented in its original left-to-right reading format and published at its original size.
